

Head of Fundraising (SBTi)

Location: United Kingdom

Job Purpose and Background: As part of SBTi's new incorporation with a Charity entity it plays a key role in continuing the fundraising for the future.

About the SBTi:

The Science Based Targets Initiative (SBTi) is a global body that enables businesses to set ambitious emissions reduction targets in line with the latest climate science. It is focused on accelerating companies across the world to halve emissions before 2030 and achieve net-zero emissions before 2050.

The initiative is a collaboration between CDP, the United Nations Global Compact, the World Resources Institute (WRI) the World Wide Fund for Nature (WWF), and one of the We Mean Business Coalition commitments. The SBTi defines and promotes best practices in science-based target setting, offers resources and guidance to reduce barriers to adoption, and independently assesses and approves companies' targets.
